Re: Church of Scientology of California v.
Gerald Armstrong

Dear Mr. Peterson:

On October 20, 1986, I telephoned you to advise you that the date set for the deposition of Michael Douglas is not convenient to him. I suggested that the depositions of Michael and Kima Douglas take place on one day and that it be a date convenient to their schedules. You indicated that you believe that there would be no difficulty in taking both depositions in one day provided that we begin early and went to 6:00 p.m.

You agreed to get back to me by October 21, 1986 with a final response regarding taking both depositions on one day. I agreed to have some available dates ready for you.

With respect to depositions, I would like to know whether you are willing to produce Mike Rinder and Joey for their depositions. Since they are members and employees of your client, and since they have knowledge regarding the 1984 videotaping of Gerald Armstrong, it would only seem reasonable for you to acquiesce. Please advise me as to your position on this matter.

Very truly yours,
